SENATOR KENNEDY: Yes, I would like to have LB206 unbracketed and brought back for some clarification and amendments. I guess that it takes 25 votes.

PRESIDENT: We need to unbracket it first. Are there objections to unbracketing 206 on Final Reading? Any objections? Hearing none, so ordered.

CLERK: Read

PRESIDENT: Senator Kennedy

(end belt #1)

(start belt #2)

SENATOR KENNEDY: Yes I would ask the indulgence of the body to return LB206 for some clarification amendments. I think that it takes 25 votes and the amendments are only in language spelling out more indefinite terms so that we can understand it as laymen. That is all that it is, there is no change in the bill. The attorneys thought that we should do this and I agree.

PRESIDENT: Any further discussion of the motion? Senator Johnson. Question is shall the bill be returned to Select File for specific amendments. All those in favor will vote aye, those opposed will vote no. Have you all voted? Clerk will record.

CLERK: 41 Ayes Mr. President on a motion to return.

PRESIDENT: LB206 is returned to Select File for specific amendment. Do we have any other motions on the desk, bills on final reading?

CLERK: I have none Mr. President.

PRESIDENT: Well, we are going to take up LB232, on Final Reading, at the specific request of Senator Syas. Senator Kennedy would you punch off your white light for me. Thank you. Attention please the final reading.....wait a minute we are going to have to have the Senators in their seats here for the Final Reading of LB232. Stand by for just a minute. We only have this one bill left on Final Reading if we could ask the Senators to please take their seats. Attention please the Final Reading of LB232.
